## **Welcome to OPrint!**

OPrint's online ordering, proofing and fulfilment system connects your business with a unique, secure one-on-one direct link to printing your collateral. Whether you're working from home or running a fully-fledged business, OPrint offers you the opportunity to build your company a brand name that's strong and vibrant, 24 hours a day, 7 days a week through our order centre. From first click to final delivery, you'll be treated with a level of professionalism and attention to detail no other printer can match, at enviable prices.

Benefits for using OPrint's Online Printing:

- Streamline your print procurement process, saving time
- Improve communication both internally and externally
- Gain immediate access to information, order status, costs and more!

We are dedicated to providing customers and businesses of the best printing services, minus the exorbitant prices. Through years of experience and a sizeable network of partners, we are able to offer the most cost effective solutions for all kinds of needs.

## **Our Vision**

To become the nation's top of the mind provider for quality affordable printing services.

## Our Philisophy

To assist all customers in saving valuable time and operational costs, hence allowing to focus on growing their business effectively.

## Serve with passion

Every effort is made to go the extra mile for clients. If there is a complaint, we will handle it. If there is a problem, we will fix it. From the initial proposal stage to final delivery, we place top priority in the satisfaction of a job well done.

## Solutions-oriented

Ultimately, our customers consult us for solutions. Thus for every project, we take time to understand their specific needs, preferences and constraints. With these, we are able to always recommend the best customised services at reasonable value.

## Speed matters

We take deadlines very seriously, because they mean everything to today's customers. Our experienced team of project managers and skilled technicians ensures that every project is delivered efficiently and promptly according to your timeline.

## See the future

Who says that printing is a sunset industry? For us at Oprint, printing goes beyond traditional boundaries. As a proud company of the 21st century, we are constantly pioneering new methods to ensure greater convenience, quality and value for our clients.
