

About Us

Our journey began at PLEASURE DIAMONDS L.L.C. In 2006 with strong supply of one of the world's largest manufacturers of polished diamonds. We specialized in GIA certified diamonds in clarities from IF to SI2 in all color & sizes 0.30 carats to 1 carats & above. We also deals in non certified diamonds in clarities ranging from IF to Pique and sizes 0.005 cts. to 2 cts. & above.

By basing ourselves on the features demanded by companies, we have started jewellery operations also. Our portfolio of delighted customers include diamond wholesalers, jewellery manufactures and retailers across the cities of Middle East, Europe, Russia, USA, Asia Pacific and all other corners of the world. We at PLEASURE DIAMONDS L.L.C. would like to thank you our suppliers & customers for our success.

Company Vision

We at PLEASURE DIAMONDS L.L.C. believe in honesty, hard work & long term relationships and growing together with employees, customers and business partners.
