About Us

We are a committed team of Australian dedicated jewellery professionals who found each other through our mutual passions for diamonds, jewellery design, CAD and web based technologies. We have been selling online for over 10 years and we delight in the ability to provide our customers with Australian service and commitment to our product.

Our business supports our beautiful families and co workers. We love that we're able to supply diamonds at wholesale prices and create incredible and unique jewellery, and to further our mission to *democratize diamonds through technology*. In all, you can feel pretty good about giving us your business. The Adelaide Diamond Company Team
