Our mission is to bring about Transformation and challenge established thinking. We enable organisations to create sustainable growth and believe in molding the future along with our clients.

Women Empowered (W.E)

Empowering women to participate entirely in economic life across all segments is crucial to shape and develop strong economies, accomplish global development goals for sustainability, and improve the quality of life for women.

The Cause

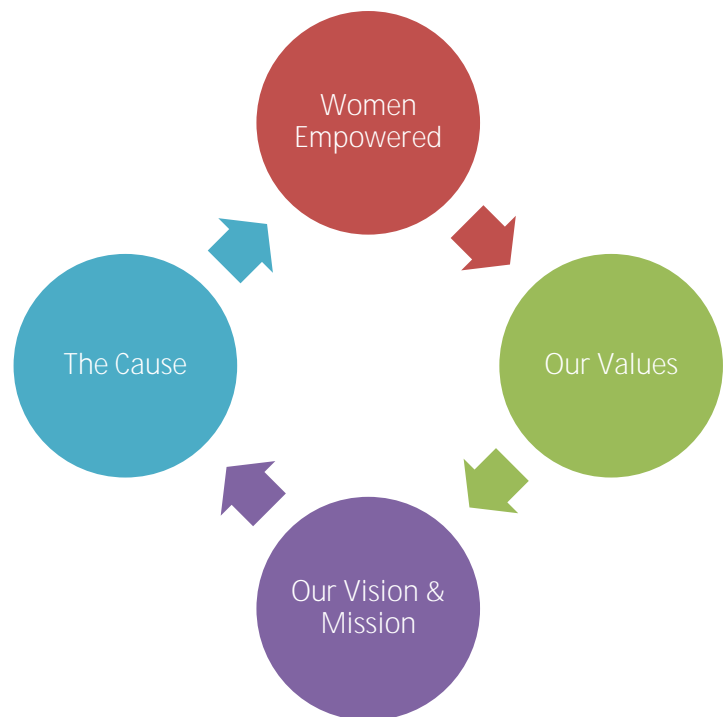

The Cause We are interested in doing work that brings personal fulfillment, grows lasting relationships, makes a difference and creates a legacy of service to the world we live in. We believe in building success to last, creating a life that matters and approach our cause with passion.

Our Values

In our business, People are the heartbeat, therefore we are passionate to ensure that it beats consistently in right rhythm to create an outstanding future.

Our Vision & Mission

To be the preferred management consulting firm delivering our doctrine of 'more > for less' customised quality solutions, harvesting on our strengths and creating a promise of Excellence to our clients & communities.

Our Services with Solutions

Metanoia Consultants was founded in Dubai, part of the Middle East region with a Global vision of making a Difference to people within the corporate world and the community. Our breath and reach has expanded to 3 further continents, with offices in Africa, India and the Americas.

Organisation Development	Culture and Diversity	Talent Acquisition
Businesses are consistently transforming through leadership changes, mergers and acquisitions, organisational restructuring and technology integration. Organisations need to keep Agile. New and practical insights, based on data and analytics, to drive change and people-related business transformation is essential.	We take an intentional approach to helping clients meet their diversity and inclusion objectives. We know that to create sustainable change, diversity and inclusion must be assimilated into the fabric at all levels of the organisation and filter into the employee experience.	Quality Talent makes all the difference in the growth of Organisations. We have a simple yet proven Executive recruitment methodology, which works. We deliver the right senior talent over a timeframe agreed in advance and ensure that the process is seamless, stress-free and in line with your talent strategy.
