About Us

FIT SNACKS LLC strives to promote health and wellness by offering healthier snack options to everyone. Whether you are at home, work, school or on the go, we believe healthy snacks should be accessible and delicious. Our goal is to keep you satisfied without unhealthy ingredients and excess sugar.

In current times, we recognize the importance for companies to stay engaged with their employees working from home. We make it easy for you to show your appreciation by sending a care package directly to your employees. We will introduce you to our wellness coach who offers virtual workshops and other services.

We operate out of Southern California and can put a FIT SNACKS vending machine in your place of

business (parts of Los Angeles/Ventura Counties).

Crush your cravings anywhere with the snack brands that you trust and love!

Shipping & Returns

We have a 30-day return policy, which means you have 30 days after receiving your item to request a return on applicable products. Snack boxes and snack boxes with hand sanitizer are not eligible to be returned.

To be eligible for a return, your item must be in the same condition that you received it, unused, in its original packaging. You'll also need the receipt or proof of purchase.

To start a return, you can contact us at info@fitsnacksnow.com. If your return is accepted, we'll send you a return shipping label, as well as instructions on how and where to send your package. Items sent back to us without first requesting a return will not be accepted.

You can always contact us for any return question at info@fitsnacksnow.com.

Damages and issues

Please inspect your order upon reception and contact us immediately if the item is defective, damaged or if you receive the wrong item, so that we can evaluate the issue and make it right.

Exceptions / non-returnable items

Certain types of items cannot be returned, like perishable goods (such as food), custom products (such as special orders, custom labeled hand sanitizer). Please get in touch if you have questions or concerns about your specific item.
